

## Award Winning Publication by a Sida Supported PhD Graduate

Among many presented at the Closing Ceremony of the AAU-Sida Projects, a new milestone was achieved by one of the PhD graduates of the Management Program, namely, Dr. Gemechis Terfa Eticha, whose publication, Strategy Research in an African Context: A Systematic Literature Review that appeared in the Africa Journal of Management, Vol.10 (3), 316-350, Official Journal of the Africa Academy of Management, has been awarded as the best in a series of peer reviewed publications.

The AAU-Sida Projects and the Department of Management congratulate Dr. Gemechis Terfa Eticha and his supervisors Dr. Workneh Kassa and Professor Olof Brunninge of Jönköping University of Sweden.

Please use the link below to access the awarded certificate and the publication.
